## VOLUNTEER PROJECTS (Summer 2023)

If you or your group is looking for a service project, this may be just the opportunity for you. These projects are the right size for families, school groups, companies, Sunday School classes, small groups, or short-term mission trips. The projects impact our ministry physically, emotionally, educationally, and spiritually. Many of our work groups spend time with the WCCH children sharing life skills, devotionals, recreation, and stories of overcoming life's difficulties through faith in Christ. Volunteers of all ages can impact our mission!

The Woodburn Christian Children Home has a need for the following volunteer work projects. If you are able to donate material or serve, please contact the office prior to purchasing the items or to set up a mission trip (260-632-5551).
