Your Woodburn Christian Children's Home Family

The Woodburn Christian Children's Home is a 501-C-3 not-for-profit, state-licensed, faith-based residential children's home. Our mission is to empower children and families on physical, educational, emotional and spiritual levels. At WCCH, children ages 6-21, live in family-style homes on a 33-acre campus. Transformation occurs through Christian family living, counseling, educational tutoring, life skill instruction, nutrition, exercise, pre-vocational training and social skill development. WCCH promotes these objectives by instilling faith and values, along with positive attitudes, the exercise of cognitive process, and the practice of healthy living principles communicated through modeling in a family system. WCCH is funded entirely through private donations and is debt free.
