Houston Lake is part of the Montreal River system. Houston, Sams and the Big Four Lakes form a fisherman's and nature lovers' dream of 12 miles of water that is accessible by boat from the camp. The camp is 12 miles east of Shining Tree, a small village containing approximately 15 families: or 20 miles west of Gowganda with approximately 30 families. We are the only commercial camp in the area. The camp is accessible by car on route 560.
