BITE SIZE PROJECTS

(Spring/Summer 2019)

If you or your group is looking for a smaller “bitesize” project, this may be just the opportunity for you. These projects are the right size for families, school groups, Sunday School classes, or short-term mission trips. The projects affect our ministry physically, emotionally, educationally, and spiritually. Many of our work groups spend time with the WCCCH children sharing life skills, devotionals, recreation, and stories of overcoming life’s difficulties through faith in Christ.
