Dear Family,

March, 2018

The mission of the Woodburn Christian Children's Home is to provide a Christian home for children in need – to minister to children and families on physical, educational, emotional, and spiritual levels. Our core values include integrating the Christian faith into every-day life where no part of our daily life is separated from the expression of our faith. These commitments ring more true as each day passes, and are especially true as we look forward to celebrating the Passion of Christ with our families. We have often said... We could have the nicest houses... We could have the best houseparents... We could have well-mannered children... We could have all those things, but if we have not taught our young family members, who Jesus is and given them an opportunity to follow Him all the days of their lives, we have not done all that we intend to do. Your faithful prayers and support enable us to remain focused on proclaiming the love of Jesus and living out our Christian faith.

**“For God did not send his Son into the world to condemn the world, but to save the world through him”  
(John 3:17).**

Now I am happy to report our WCCH family is growing again. Dominic (12 years old) is our newest family member at the Woodburn Christian Children's Home. Dominic is an energetic boy who is quickly settling into his new home. He likes to play basketball, and is eager to learn and grow. One thing is for sure... WCCH will be a livelier place with Dominic in the mix.
