

Woodburn Christian Children's Home

15th Annual Benefit Auction

Saturday, October 19

Woodlan Jr/Sr High School Gymnasium

Located off US Hwy 24 in Woodburn (Webster Rd. Exit)
Minutes east of Fort Wayne

Hog Roast and Silent Auction: 4:00 PM

Live Auction: 5:00 PM

You may never have considered attending an auction before, but this event is *more* than an auction – this event helps children reach their full potential in Christ.

The meal, continuously served, includes our famous pulled pork recipe, pork burgers, and all the fixings along with *delicious homemade pies*.

The event goes beyond valuable auction items, beyond delicious food, and beyond family-friendly fellowship. The auction raises essential funds so that the Woodburn Christian Children's Home can empower disadvantaged children to reach their full potential while remaining privately funded through churches, Christian individuals and Christian business owners. The impact of the event *goes beyond* the auction and into the lives of children living in our communities.

**We do not raise victims, we raise
OVERCOMERS!**

Come support our effort...
