BITE SIZE PROJECTS (Summer 2020)

If you or your group is looking for a smaller “bitesize” project, this may be just the opportunity for you. These projects are the right size for families, school groups, Sunday School classes, or short-term mission trips. The projects affect our ministry physically, emotionally, educationally, and spiritually. Many of our work groups spend time with the WCCH children sharing life skills, devotionals, recreation, and stories of overcoming life’s difficulties through faith in Christ.

The Woodburn Christian Children Home has a need for the following items. If you are able to donate or serve, please contact the office prior to purchasing the items or to set up a mission trip.
