

Will You Pray For Us?

I was reminded recently of a conversation my father had with a dear friend. It was during the time when my father was very ill and he asked his friend, "Do you pray for me every day?" His friend replied, "Yes, I pray for you every single day." My father persisted, "Sometimes when you pray for me, Glenn, sometimes do you get on your knees?" And his friend replied, "Yes, Leon. When I pray for you, sometimes I get on my knees." My father's simple story taught me two lessons: the devotion of a true friend and devotion to God in prayer.

My friends...I invite you to pray often for the Woodburn Christian Children's Home. Will you pray for our staff and their families? Will you ask God to bless them with the wisdom, strength and courage necessary to do this job? Will you pray for the children who are in our care? Will you ask God to open their hearts enough to trust and build their faith and life in Him? Will you pray for God to provide the financial resources necessary to perform this ministry? Will you pray for these things knowing that God might answer that prayer through you? Finally, I am asking you to pray for God to protect us from any evil thing. We are ever mindful of the tremendous responsibility that has been entrusted to our care. Be assured that the knowledge of your prayer support is an encouragement to us and we have confidence that God will answer your prayers.

Just one more thing...if your heart leads you to pray for this ministry...sometimes when you pray for us...sometimes will you get on your knees?

God Bless,

Lee Bracey
Executive Director
