Dear WCCH Family,

The Woodburn Christian Children's Home is a place of community designed to help children find healing, discover hope, and experience love. The Christians who serve at WCCH are used by God in mighty ways. Below is a reflection from Kim Winnett, who recently joined our ministry team.

"Over many years in social work, community mental health and healthcare, and more recently as an individual therapist, I have strived to help parents train their children, care and understand themselves, and help children who may not have grown up under the blessings of Biblical parenting.

While admittedly, I was not always able to embrace that work as a direct ministry, I am thankful the Lord has now continued my path to join with fellow servants at WCCH. During my brief time as the WCCH Clinical Director, I have seen the talent, passion, knowledge and commitment that bear fruit on both a daily basis, and over the past 50 years. I look forward to adding to that WCCH legacy of Christ-like love for children. Using a strength-based mindset to foster growth, my goal is to prayerfully add to the fruit that is yet to be harvested in the children. Together, our efforts will help each child become an overcomer in Christ."

We are thankful for Kim's passion, experience and faith in Christ. The best days are yet to come!

Construction Update

The new Learning and Counseling Center is coming together. Construction continues on the walls and roof of the fitness and life skill areas, along with concrete and mechanical work. The children are excited to see all the work knowing God provides for their needs through the Christian community.

Help us bridge the gap as we seek to complete the Phase I capital campaign. We believe the new learning and counseling center enables WCCH to impact generations of children, and may be one of the greatest legacies for our future communities. Please consider giving today, we are 70% funded! *Visit our website for more information.*
