Monthly Newsletter

Dear WCCH Family,

Summertime at the Woodburn Christian Children's Home is filled with lots of activities. The children spend plenty of time playing outside and completing chores as a group. They also go to community events, attend church camp, youth group trips, and visit with their families. The goal is to help the children discover how they fit into God's world while helping them develop abilities and behaviors.

The houseparents spend the summer modeling a Christian family while caring for the children's needs. Each couple sacrifices so much to help discouraged children develop faith in God and trust in people.

As a mission we host work groups and visitors dropping off pantry supplies. We also spend time ministering to families seeking help. Summertime is filled with opportunities. Your giving enables us to answer the opportunities, bringing glory to God.

In Service to Him, Joe Heins Executive Director

Save the Date - 17th Annual Benefit Auction

October 8, beginning at 4:00 PM.

The WCCH Benefit Auction provides essential funds to help children realize their full potential at WCCH. Each year, the Christian community rallies around the opportunity to provide a home for discouraged children. The goal is to show God's love for children while participating in a family-focused event.

To make this year's auction a success, we need your assistance to *gain valuable items*. Examples include business owners who donate a product or service, owners of vacation rental properties who are willing to donate a week's stay, churches who develop a themed basket. Additional donation categories include tools, toys, entertainment, outdoor furniture, sports equipment, electronics, etc.

We are also looking for businesses, churches and families to *sponsor the auction*. This is an excellent way to impact children. Please visit our website.

Embrace the Vision

Each child who comes to the Woodburn Christian Children's Home is given an opportunity to embrace a new vision for their life. A vision of predictability, hope and faith. Often times realizing the vision begins with healing past trauma and neglect, thereby making room in their hearts for God's love.

The Strong and Courageous Learning and Counseling Center is designed to help each child embrace a new vision. The floorplan, color scheme, and interaction of different spaces provide a safe place to discover life.

Please consider giving sacrificially to the capital campaign. Each child needs strong and courageous adults willing to provide for their future. Currently, God has provided 78% of the capital campaign funds (1.47 million of 1.9 million). *Together, we will Finish Strong.*

Ribbon Cutting Celebration: November 19, 2022.

(The celebration will also mark 50 years of ministry.)

If you contributed in July, your receipt is on the back of this letter. Thank you for your faithful support.
