

Monthly Newsletter

Dear WCCH Family,

The ministry of WCCH is blessed with a strong team of Christians committed to helping children thrive. Each staff member is trained and faith-focused. The Bible is our rallying point. The following, written by Assistant Residential Director Dylan Atchley, serves as an example of our integrated commitment.

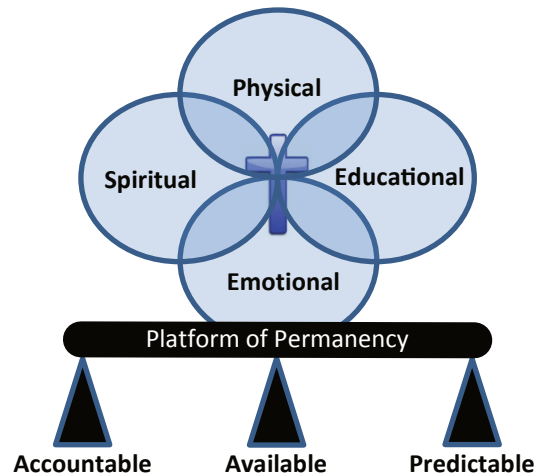

“At the Woodburn Christian Children’s Home, being able to provide a Christian education to our children is very important. One of our goals for each child is their educational development. We are fortunate to have a partnership with the Harlan Christian School that helps provide a secular education combined with a Biblical worldview. Oh, how blessed we are to have a local school that shares our Christian faith and values. Outside of school we continue with their academics through the tutoring process. In our new Learning and Counseling Center, we are blessed with a tutoring room for the furthering of our children’s education. Our dedicated, Christian tutors monitor each child’s academic performance, as well as attending to their academic needs. We push the children to be the best they can possibly be in all aspects of our program, and the tutors help in keeping the children accountable to their educational goals. At WCCH, one of our top priorities is being able to provide each child with a Christian education, therefore, once they leave our program, they are equipped to succeed in their physical life but more importantly, their spiritual life.”

Dylan graduated from Harlan Christian School in 2017. I am thankful for his focus and tireless efforts. He motivates the children to overcome and thrive by his example of love and faith. God is good!

In Service to Him, Joe Heins Executive Director

WCCH Program of Transformation

This diagram illustrates our program. The overlapping developmental domains are bound together through Christ. The “platform of permanency” characterizes our ministry team. Through the power of God, children overcome and develop. This is only possible through your prayers and support. You are vital partners!

Finish Strong: Phase I Capital Campaign

The Strong & Courageous Strategic Vision, launched in 2021, expands how WCCH cares for children and the number of children in our care. Phase I of the vision included a new Learning & Counseling Center.

Since we dedicated this new ministry platform to the work of the Lord in 2023, it has become essential for child development. May God receive all the glory.

The fundraising has also been a tremendous Kingdom-community experience and proves God’s vision for WCCH can be realized without government funding.

Please consider helping WCCH reach the final goal of \$600,000 by April 2024. Check out the walk-through video at www.wcchonline.org.

If you contributed in January, your receipt is on the back of this letter. Thank you for your faithful support.
