## Monthly Newsletter

Dear WCCH Family,

The much-anticipated WCCH Annual Benefit Auction is *more than an auction*. The event goes beyond valuable auction items, beyond delicious food, and beyond family-friendly fellowship. The fundraiser auction goes beyond all this and into the hearts of children. The auction raises essential funds so that the Woodburn Christian Children's Home can empower disadvantaged children to reach their full potential while remaining privately funded through Christian churches and the Christian community.

The impact of the event *goes beyond* the auction and into the lives of children.

Join us Saturday, October 7  
Woodlan Jr/Sr High School Gymnasium  
Meal and Silent Auction: 4:00 PM  
Live Auction: 5:00 PM

The meal, continuously served, includes a famous smoked chicken recipe, and all the fixings along with *delicious fried pies*. There will be over **100 live** auction items and **175 silent** auction items. Our last auction hosted 700 guests and raised over \$170,000. Please visit our website, [www.wcchonline.org](http://www.wcchonline.org) to view the auction items (updated weekly).

You may never have considered attending an auction before, but this event is *more* than an auction - this event helps children reach their full potential in life, in faith, and in action. Christians from all over the region join together at this event to **BID FROM THE HEART**.

The effort, raised in prayer and sacrifice enables our mission to fulfill our great calling, summarized in this axiom: **We do not raise victims at WCCH, we raise OVERCOMERS in Christ! Come support our effort...**

Thank you in advance for your consideration.

New Video: Radical Reconciliation

How valuable is a child's life? How far can one fall before hopelessness consumes the heart?

At WCCH, the tension of hope and hopelessness is part of daily life. Each child wrestles with value, worth, and hope. The newly released testimonial video captures the tension, reminding us God's love produces radical reconciliation.

In the video, Karlee, a young lady living at WCCH states, "I thought God had given up on me... I thought He made a mistake and would throw me in the trash."

This 14-year girl lost hope before WCCH. However, God radically loved her through us. Since living at WCCH for one year, Karlee says, "Now, I see it differently. God was always there. God never left me and He never will."
